MEMBERSHIP BENEFITS:

New members will receive a name tag, and a BBS Membership Card. At monthly meetings, members have access to shared resources, expert bonsai advice, & club-provided materials. Members also receive an invitation to our private Facebook Group, where we share advice, event details, polls, & opportunities for member-to-member sales.

Members are, of course, both welcome and encouraged to participate in meetings, workshops, shows, collecting trips, and other events (published on our website).

Membership cards are honored by our host, **FarWest Landscape & Garden Center**, providing a discount on bonsai material and bonsai stock only. Benefits of this card are non-transferable and are only honored when card is in possession and presented at the time of purchase.
